

BACHELOR OF SCIENCE IN DENTAL HYGIENE ADMISSION POLICY – ADMISSION REQUIREMENTS

Admission to the University provides students with the opportunity to complete a core of pre-dental hygiene courses. All students must complete and/or be registered for all of the pre-dental hygiene courses (the first year fall semester, the first year spring semester, and the second year fall semester as listed in Section A) after which they may apply and compete for a position in the Bachelor of Science in Dental Hygiene Program. PLEASE NOTE THAT DUE TO LIMITED CLINICAL CAPACITY AND AVAILABLE RESOURCES, ADMISSION TO THE UNIVERSITY AND COMPLETION OF THE PRE-DENTAL HYGIENE COURSES DOES NOT GUARANTEE ADMISSION. The **BOLD PRE-DENTAL HYGIENE COURSES** will be used in the calculation of the student's Pre-Dental Hygiene GPA which will be used in ranking students for admission.

Admitted students who voluntarily withdraw from the Dental Hygiene Program will be allowed to reapply only one additional time. This is enforced in fairness to other applicants.

A criminal background check which includes fingerprinting for the Ohio Bureau of Criminal Identification and Investigation (BCI&I) and the Federal Bureau of Investigation (FBI) is required for licensure in Ohio. If a student has been convicted of a felony or misdemeanor related to substance abuse or a crime involving moral turpitude, licensure may be denied by the Ohio State Dental Board. For further information regarding licensure and the results of fingerprinting call the Ohio State Dental Board at (614) 466-2580.
